

# Fear of Recurrence

When cancer comes back after treatment and after a period when cancer was not found in your body, it's called a recurrence. Most cancer survivors experience a fear of recurrence.

## TRY THIS

**Adjust to a new normal.** You may find yourself making changes in the ways you do things.

**Be informed.** Ask your doctor for a list of common signs of recurrence.

**Join a peer group.** Find support and useful ideas from others that might help you.
